

THE STATE SCHOOL AID ACT OF 1979 (EXCERPT)
Act 94 of 1979

***** 388.1707.amended THIS AMENDED SECTION IS EFFECTIVE OCTOBER 1, 2016 *****

388.1707.amended Adult education programs.

Sec. 107. (1) From the appropriation in section 11, there is allocated an amount not to exceed \$25,000,000.00 for 2016-2017 for adult education programs authorized under this section. Except as otherwise provided under subsections (14) and (15), funds allocated under this section are restricted for adult education programs as authorized under this section only. A recipient of funds under this section shall not use those funds for any other purpose.

(2) To be eligible for funding under this section, an eligible adult education provider shall employ certificated teachers and qualified administrative staff and shall offer continuing education opportunities for teachers to allow them to maintain certification.

(3) To be eligible to be a participant funded under this section, an individual shall be enrolled in an adult basic education program, an adult secondary education program, an adult English as a second language program, a high school equivalency test preparation program, or a high school completion program, that meets the requirements of this section, and for which instruction is provided, and shall meet either of the following:

(a) Has attained 20 years of age.

(b) Has attained 18 years of age and the individual's graduating class has graduated.

(4) By April 1 of each fiscal year, the intermediate districts within a prosperity region or subregion shall determine which intermediate district will serve as the prosperity region's or subregion's fiscal agent for the next fiscal year and shall notify the department in a form and manner determined by the department. The department shall approve or disapprove of the prosperity region's or subregion's selected fiscal agent. From the funds allocated under subsection (1), an amount as determined under this subsection shall be allocated to each intermediate district serving as a fiscal agent for adult education programs in each of the prosperity regions or subregions identified by the department. An intermediate district shall not use more than 5% of the funds allocated under this subsection for administration costs for serving as the fiscal agent. Beginning in 2014-2015, 67% of the allocation provided to each intermediate district serving as a fiscal agent shall be based on the proportion of total funding formerly received by the adult education providers in that prosperity region or subregion in 2013-2014, and 33% shall be allocated based on the factors in subdivisions (a), (b), and (c). For 2017-2018, 33% of the allocation provided to each intermediate district serving as a fiscal agent shall be based upon the proportion of total funding formerly received by the adult education providers in that prosperity region in 2013-2014 and 67% of the allocation shall be based upon the factors in subdivisions (a), (b), and (c). Beginning in 2018-2019, 100% of the allocation provided to each intermediate district serving as a fiscal agent shall be based on the factors in subdivisions (a), (b), and (c). The funding factors for this section are as follows:

(a) Sixty percent of this portion of the funding shall be distributed based upon the proportion of the state population of individuals between the ages of 18 and 24 that are not high school graduates that resides in each of the prosperity regions or subregions, as reported by the most recent 5-year estimates from the American community survey (ACS) from the United States Census Bureau.

(b) Thirty-five percent of this portion of the funding shall be distributed based upon the proportion of the state population of individuals age 25 or older who are not high school graduates that resides in each of the prosperity regions or subregions, as reported by the most recent 5-year estimates from the American community survey (ACS) from the United States Census Bureau.

(c) Five percent of this portion of the funding shall be distributed based upon the proportion of the state population of individuals age 18 or older who lack basic English language proficiency that resides in each of the prosperity regions or subregions, as reported by the most recent 5-year estimates from the American community survey (ACS) from the United States Census Bureau.

(5) To be an eligible fiscal agent, an intermediate district must agree to do the following in a form and manner determined by the department:

(a) Distribute funds to adult education programs in a prosperity region or subregion as described in this section.

(b) Collaborate with the talent district career council, which is an advisory council of the workforce development boards located in the prosperity region or subregion, or its successor, to develop a regional strategy that aligns adult education programs and services into an efficient and effective delivery system for adult education learners, with special consideration for providing contextualized learning and career pathways

and addressing barriers to education and employment.

(c) Collaborate with the talent district career council, which is an advisory council of the workforce development boards located in the prosperity region or subregion, or its successor, to create a local process and criteria that will identify eligible adult education providers to receive funds allocated under this section based on location, demand for services, past performance, quality indicators as identified by the department, and cost to provide instructional services. The fiscal agent shall determine all local processes, criteria, and provider determinations. However, the local processes, criteria, and provider services must be approved by the department before funds may be distributed to the fiscal agent.

(d) Provide oversight to its adult education providers throughout the program year to ensure compliance with the requirements of this section.

(e) Report adult education program and participant data and information as prescribed by the department.

(6) An adult basic education program, an adult secondary education program, or an adult English as a second language program operated on a year-round or school year basis may be funded under this section, subject to all of the following:

(a) The program enrolls adults who are determined by a department-approved assessment, in a form and manner prescribed by the department, to be below twelfth grade level in reading or mathematics, or both, or to lack basic English proficiency.

(b) The program tests individuals for eligibility under subdivision (a) before enrollment and upon completion of the program in compliance with the state-approved assessment policy.

(c) A participant in an adult basic education program is eligible for reimbursement until 1 of the following occurs:

(i) The participant's reading and mathematics proficiency are assessed at or above the ninth grade level.

(ii) The participant fails to show progress on 2 successive assessments after having completed at least 450 hours of instruction.

(d) A participant in an adult secondary education program is eligible for reimbursement until 1 of the following occurs:

(i) The participant's reading and mathematics proficiency are assessed above the twelfth grade level.

(ii) The participant fails to show progress on 2 successive assessments after having at least 450 hours of instruction.

(e) A funding recipient enrolling a participant in an English as a second language program is eligible for funding according to subsection (9) until the participant meets 1 of the following:

(i) The participant is assessed as having attained basic English proficiency as determined by a department-approved assessment.

(ii) The participant fails to show progress on 2 successive department-approved assessments after having completed at least 450 hours of instruction. The department shall provide information to a funding recipient regarding appropriate assessment instruments for this program.

(7) A high school equivalency test preparation program operated on a year-round or school year basis may be funded under this section, subject to all of the following:

(a) The program enrolls adults who do not have a high school diploma or a high school equivalency certificate.

(b) The program shall administer a pre-test approved by the department before enrolling an individual to determine the individual's literacy levels, shall administer a high school equivalency practice test to determine the individual's potential for success on the high school equivalency test, and shall administer a post-test upon completion of the program in compliance with the state-approved assessment policy.

(c) A funding recipient shall receive funding according to subsection (9) for a participant, and a participant may be enrolled in the program until 1 of the following occurs:

(i) The participant achieves a high school equivalency certificate.

(ii) The participant fails to show progress on 2 successive department-approved assessments used to determine readiness to take a high school equivalency test after having completed at least 450 hours of instruction.

(8) A high school completion program operated on a year-round or school year basis may be funded under this section, subject to all of the following:

(a) The program enrolls adults who do not have a high school diploma.

(b) The program tests participants described in subdivision (a) before enrollment and upon completion of the program in compliance with the state-approved assessment policy.

(c) A funding recipient shall receive funding according to subsection (9) for a participant in a course offered under this subsection until 1 of the following occurs:

(i) The participant passes the course and earns a high school diploma.

(ii) The participant fails to earn credit in 2 successive semesters or terms in which the participant is enrolled after having completed at least 900 hours of instruction.

(9) A funding recipient shall receive payments under this section in accordance with all of the following:

(a) Statewide allocation criteria, including 3-year average enrollments, census data, and local needs.

(b) Participant completion of the adult basic education objectives by achieving an educational gain as determined by the national reporting system levels; for achieving basic English proficiency, as determined by the department; for achieving a high school equivalency certificate or passage of 1 or more individual high school equivalency tests; for attainment of a high school diploma or passage of a course required for a participant to attain a high school diploma; for enrollment in a postsecondary institution, or for entry into or retention of employment, as applicable.

(c) Participant completion of core indicators as identified in the innovation and opportunity act.

(d) Allowable expenditures.

(10) A person who is not eligible to be a participant funded under this section may receive adult education services upon the payment of tuition. In addition, a person who is not eligible to be served in a program under this section due to the program limitations specified in subsection (6), (7), or (8) may continue to receive adult education services in that program upon the payment of tuition. The tuition level shall be determined by the local or intermediate district conducting the program.

(11) An individual who is an inmate in a state correctional facility shall not be counted as a participant under this section.

(12) A funding recipient shall not commingle money received under this section or from another source for adult education purposes with any other funds and shall establish a separate ledger account for funds received under this section. This subsection does not prohibit a district from using general funds of the district to support an adult education or community education program.

(13) A funding recipient receiving funds under this section may establish a sliding scale of tuition rates based upon a participant's family income. A funding recipient may charge a participant tuition to receive adult education services under this section from that sliding scale of tuition rates on a uniform basis. The amount of tuition charged per participant shall not exceed the actual operating cost per participant minus any funds received under this section per participant. A funding recipient may not charge a participant tuition under this section if the participant's income is at or below 200% of the federal poverty guidelines published by the United States Department of Health and Human Services.

(14) In order to receive funds under this section, a funding recipient shall furnish to the department, in a form and manner determined by the department, all information needed to administer this program and meet federal reporting requirements; shall allow the department or the department's designee to review all records related to the program for which it receives funds; and shall reimburse the state for all disallowances found in the review, as determined by the department. In addition, a funding recipient shall agree to pay to a career and technical education program under section 61a the amount of funding received under this section in the proportion of career and technical education coursework used to satisfy adult basic education programming, as billed to the funding recipient by programs operating under section 61a.

(15) From the amount appropriated in subsection (1), an amount not to exceed \$500,000.00 shall be allocated for 2016-2017 to not more than 1 pilot program that is located in a prosperity region with 2 or more subregions and that connects adult education participants directly with employers by linking adult education, career and technical skills, and workforce development. To be eligible for funding under this subsection, a pilot program shall provide a collaboration linking adult education programs within the county, the area career/technical center, and local employers, and shall meet the additional criteria in subsections (16) and (17). Funding under this subsection for 2016-2017 is for the second of 3 years of funding.

(16) A pilot program funded under subsection (15) shall require adult education staff to work with Michigan works! agency to identify a cohort of participants who are most prepared to successfully enter the workforce. Participants identified under this subsection shall be dually enrolled in adult education programming and at least 1 technical course at the area career/technical center.

(17) A pilot program funded under subsection (15) shall have on staff an adult education navigator who will serve as a caseworker for each participant identified under subsection (16). The navigator shall work with adult education staff and potential employers to design an educational program best suited to the personal and employment needs of the participant, and shall work with human service agencies or other entities to address any barrier in the way of participant access.

(18) Not later than December 1, 2017, the pilot program funded under subsection (15) shall provide to the senate and house appropriations subcommittees on school aid and to the senate and house fiscal agencies a report detailing number of participants, graduation rates, and a measure of transitioning to employment.

(19) The department shall develop an application process for a pilot program to be funded under subsection

(15) and shall award funding not later than October 1, 2016. Funding allocated under subsection (15) may be paid on a schedule other than that specified under section 17b.

(20) The department shall approve at least 3 high school equivalency tests and determine whether a high school equivalency certificate meets the requisite standards for high school equivalency in this state.
